## **LEGOLAND® California Presents Decadent Summer Food Programs** *Landlubbers and sailors alike will enjoy pirate-themed dining!*

CARLSBAD, Calif. (Summer 2006) – Ahoy mateys! This summer at LEGOLAND® California appetites set sail on delicious adventures as guests choose between two all-new summer food offerings available only for a limited time. The 128-acre family theme park satisfies hunger with the all-you-care-to-eat Pirates' Feast or with the tasty Buccaneer Breakfast. The latest dining options celebrate the opening of Pirate Shores, the Park's new area featuring four attractions based on water play.

LEGOLAND has something tasty for every member of the family at the Pirates' Feast All-You-Care-to-Eat Buffet from July 1 through August 19, 2006. Guests can feast their eyes and their tummies on slow-roasted meats, smoked turkey legs, roasted potatoes, fresh salads and delicious desserts. Young lads have a menu of their own including hot dogs, chicken tenders and more. The feast is available from 5:00 p.m. to 7:30 p.m. and is only \$17.95 for adults and \$7.95 for children.

Guests are invited to LEGOLAND California's special Buccaneer Breakfast at the Upper Deck™ Sports Cafe from 9:00 a.m. - 10:30 a.m. daily from July 1 through September 3, 2006. Dine on freshly prepared scrambled eggs, golden crispy hash browns, bacon and sausage links, cinnamon spiced sourdough French toast, assorted bagels with herb cream cheese, fresh fruit platter, assorted yogurts, cold cereals, freshly squeezed orange juice, milk and coffee. When guests purchase the Buccaneer Breakfast, they receive exclusive access to select attractions and rides in the Imagination Zone area one hour prior to Park opening. Prices are \$11.95 for adults and \$6.95 for children.

Both programs include exclusive pirate themed entertainment and can be purchased in advance online. Guests may also purchase these options at ticket booths subject to availability. Please note that these prices do not include Park admission. Park admission ticket is required for access to the Park.

LEGOLAND® California is a 128-acre interactive theme park dedicated to families with children between the ages of two and 12. Just like with LEGO® play materials, kids are the ones who create the action at the Park. They drive, pedal, squirt, climb, jump, stomp, slide, steer, pull, click, push, gallop, laugh, build and program their way through more than 50 rides, shows and attractions. There are three other LEGOLAND Parks in the world – LEGOLAND Billund in Denmark, LEGOLAND Windsor outside of London and LEGOLAND Deutschland near Günzburg, Germany. The LEGOLAND theme parks are a part of Merlin Entertainments Group. For the most current information, log on to [www.LEGOLAND.com](http://www.LEGOLAND.com) or call (760) 918-LEGO.
