**RED, WHITE AND BOOM! FAMILY CELEBRATION**  
*Fourth of July Firework Spectacular at LEGOLAND® California*

**CARLSBAD, Calif. (June 9, 2006)** -- LEGOLAND® California continues Park tradition this summer delivering a star-spangled Fourth of July celebration starring a dazzling firework display and special entertainment for the entire family. Guests spending the holiday at the Park experience fun that can only be found in a land built just for kids and their families- LEGOLAND!

To commemorate our nation's birthday, Park visitors help build a huge American flag out of 7,200 red, white and blue LEGO DUPLO® bricks. The completed flag will be 8½-feet long, 4½-feet tall and weigh more than 150 pounds. Kids of all ages participate in nostalgic all-American family picnic games including the water-balloon toss, burlap sack races and paper airplane races for an opportunity to win fabulous prizes.

As night falls, guests are encouraged to make their way to Miniland USA for the Red, White and Boom Firework Spectacular scheduled to begin at 8:30 p.m. LEGOLAND California offers extended hours for the holiday from 10 a.m. to 9 p.m. on Tuesday, July 4. The stunning firework show incorporates patriotic music punctuated with strategically timed pyrotechnics.

The heartwarming patriotic firework display lights up the sky over Miniland USA, the Park's tribute to U.S. landmarks such as the Manhattan Skyline, the Washington Monument and the French Quarter in New Orleans. Miniland represents six different regions from around the United States depicted in astonishing detail with more than 20-million LEGO® bricks. Observant guests can spot additional American flags throughout Miniland, placed by the Park's model builders in honor of Independence Day.

The American spirit shines on as patriotic themes are showcased throughout the 128-acre park. This Fourth of July, head to LEGOLAND California. It's star-spangled fun for the whole family.

LEGOLAND® California is a 128-acre interactive theme park dedicated to families with children between the ages of two and 12. Just like with LEGO® play materials, kids are the ones who create the action at the Park. They drive, pedal, squirt, climb, jump, stomp, slide, steer, pull, click, push, gallop, laugh, build and program their way through more than 50 rides, shows and attractions. There are three other LEGOLAND Parks in the world – LEGOLAND Billund in Denmark, LEGOLAND Windsor outside of London and LEGOLAND Deutschland near Günzburg, Germany. The LEGOLAND theme parks are a part of Merlin Entertainments Group. For the most current information, log on to [www.LEGOLAND.com](http://www.LEGOLAND.com) or call (760) 918-LEGO.
