**LEGOLAND® California Auctions off LEGO® Models for Charity**  
*One-time Offer Gives Fans a Chance to Own a Piece of History*

**CARLSBAD, Calif. (March 1, 2007)** – LEGOLAND® California is offering the opportunity of a lifetime...Beginning March 1, 2007, fans of the 128-acre family theme park in Carlsbad, California, will be able to purchase, for the first time ever, a piece of LEGOLAND history.

Several LEGO® models are going on sale on eBay with proceeds benefiting the Foundation for Positively Kids, a Las Vegas based non-profit agency dedicated to developing services that provide comprehensive care for Nevada's medically fragile and terminally ill children.

The LEGO models being auctioned are from the New England section of Miniland USA. The models represent the best of the New England Harbor including ships, lighthouses, motor yachts, homes and other classic designs. Some of the most memorable models available from the area are the nine-foot long U.S Coast Guard ship weighing more than 100 pounds, the tall mast sailing ship and the red harbor fire boat.

The New England Harbor was removed to make way for Miniland Las Vegas, opening March 29, 2007. "The city of Las Vegas is recognized around the world for its famous iconic structures and we wanted to give Park guests a chance to see the Las Vegas Strip in a family-friendly environment," said President and General Manager John Jakobsen. "LEGOLAND is honored to give Park enthusiasts the chance to own a piece of the New England Harbor and to support the children of Las Vegas through the Foundation for Positively Kids."

Miniland Las Vegas features the world-famous Strip including the Luxor Las Vegas, New York, New York Hotel and Casino, Excalibur, Mirage, Treasure Island, Tropicana, MGM Grand, Venetian, Stratosphere tower and two iconic structures of Paris Las Vegas, the balloon sign and Eiffel Tower. "The Strip" at LEGOLAND also features a miniature wedding chapel, monorails and real life sounds recorded in Las Vegas. Miniland Las Vegas is built out of more than two-million LEGO bricks and represents more than sixteen-thousand hours of creative artistry. Las Vegas is one of six geographical locations in Miniland U.S.A. recreated entirely of LEGO bricks. More than 24-million LEGO bricks create this attraction considered the heart of the Park.

The auction runs March 1– March 25 with a variety of models going online each week.
