## **Pirates Raid LEGOLAND® California this Summer**

*Family Theme Park adds Captain Cranky's Challenge to Pirate Shores*

**CARLSBAD, Calif. (April 16, 2007)** – Memorial Day Weekend pirates invade LEGOLAND® California for the opening of *Captain Cranky's Challenge*. Swashbucklers of all ages dare to walk the plank of Pirate Shores, the theme park's seventh area of attractions, where brand new thrills await them.

*Captain Cranky's Challenge*, the newest addition to Pirate Shores, defies guests to test their sea worthiness as they sway back and forth on a pirate ship that sits on a "U-shaped" track and rotates in two directions. A life-sized LEGO® model of Captain Cranky greets guests as they enter the ride which holds 24 passengers. After two minutes of fun, guests exiting the ride find another pirate model, this one a little green in the face from a dizzying ride on the open sea.

*Captain Cranky's Challenge* is the fifth attraction to be added to Pirate Shores and joins the signature attraction Splash Battle, water-play areas Soak-N-Sail and Swabbies Deck, and a mini-flume log ride, Treasure Falls. Additional seating, more shade and locker facilities make Pirate Shores even more family friendly this summer.

Throughout Pirate Shores, more than 150 detailed LEGO® models abound including a lively pirate band providing festive sea shanties, a group of renegade mice raiding provisions and a spectacular sinking galleon. Guests can test their mettle at games that challenge their pirating skills and win a trove of treasure to take home from the 128 acre family theme park.

Fourteen new attractions have been added to LEGOLAND California in the last three years including the new *Miniland Las Vegas*. With the opening of *Miniland Las Vegas* on March 29, 2007, and *Captain Cranky's Challenge* in May of 2007, LEGOLAND is continuing to position itself as the preferred attraction choice for families with children ages 2 to 12.

LEGOLAND® California is a 128-acre interactive theme park dedicated to families with children between the ages of 2 and 12. With more than 50 rides, shows and attractions, LEGOLAND is geared towards family fun! There are three other LEGOLAND Parks in the world – LEGOLAND Billund in Denmark, LEGOLAND Windsor outside of London and LEGOLAND Deutschland near Günzburg, Germany.
