

LEGO® Engineering Conference

Featuring *LEGO NXT* and *MINDSTORMS* Workshops

March 28, 2009
at
LEGOLAND® California

Attention Teachers and other robotics enthusiasts:

The Tufts University Center for Engineering Educational Outreach (CEEEO), LEGO Education, and LEGOLAND California cordially invite you to attend a LEGO Engineering Conference.

Earn UCSD Continuing Education Credit.

Conference Purpose

To gather those who use or plan to use robotics to teach math or science, coach robotics teams, or learn more about robotics.

- **Hands-On workshops** with the latest LEGO NXT robotics technology.
- **Shared experiences** and ideas for implementing LEGO NXT and MINDSTORMS in the classroom or on a robotics team.
- **Learn about the new developments in robotics**, and CA Content Standards.

Conference Schedule

8:00 - 8:30 am	Arrival, Welcome, Introductions
8:30 - 11:30 am	Hands-on Workshop I: Explore Robotics with LEGO NXT
11:30 - 12:30 pm	Hosted Lunch
12:30 - 1:15 pm	Teaching the Standards with Robotics
1:15 - 2:00 pm	Hands-on Mission Mars activity
2:00 - 3:30 pm	Hands-On Workshop II Explore Robotics with LEGO NXT
3:30 - 4:30 pm	Presentations: NXT vs. RCX Center for Engineering Outreach
4:30 pm	Conference closes.
6:00 pm	LEGOLAND closes.

Conference Registration

To register, call 760-438-LEGO

Conference fee: First 20 K-12 teachers are free, co-sponsored by the San Diego Science Festival and LEGOLAND California. Must register by March 13.

Non-teachers, or after 20 participants: \$75.

Register by March 13, or register four participants: \$50 per person.

Lunch and parking included.

CD and print materials provided on March 28.

Family and Friends LEGOLAND discount: \$25.95

Deadline for registration is March 20, 2009.

Conference Location

LEGOLAND California
One LEGOLAND Dr.
Carlsbad, CA 92008
