Food Allergies and Intolerances – please speak to a member of our staff about ingredients in your meal before ordering.

Staff may not be able to offer specific advice or make recommendations beyond the common allergen groups.

Please be aware that although every care is taken to prevent cross contamination, foods containing allergens including nuts and gluten are handled in the kitchen / food outlet. Please let your server know about any allergies. Consuming raw or undercooked, meats, poultry, seafood, shellfish, and eggs may increase your risk of foodborne illness.
