## KID APPROVED LEGO® FEATURES:

- LEGOLAND® New York Resort features more than 15,000 LEGO models, containing more than 30 million LEGO bricks.
- **BRAD the Dinosaur** greets guests upon entering the Park on Brick Street. In 2021, LEGOLAND New York sent out a call for submissions to name the Dino before the Park opened. BRAD, which stands for BIG RED AWESOME DINOSAUR, was the winning name submitted by a local Orange County child!

- The elusive **Mr. Gold** pop badge challenge returns in 2026. Kids love to spot the badge worn by the Park's Model Citizens (employees)—only a few are released each day. The badge can be kept or turned in at the Guest Experience Center for a daily prize.

- Take part in **Minifigure Trading!** Bring or buy a Minifigure and ask any Model Citizen in the Park to trade for the one they are wearing on their brick badge.

- Our **Model Builder Experience** is a unique aspect of LEGOLAND New York Resort. Get a glimpse into the world of LEGO® creation in a fully functional, working Model Shop, where our skilled Master Model Builders design, restore, and maintain LEGO models from the Park.

## IBCCES AUTISM CERTIFICATION:

LEGOLAND New York is a Certified Autism Center, accredited by the International Board of Credentialing and Continuing Education Standards (IBCCES). On-site features include sensory guides, quiet rooms and low sensory areas throughout the Park.

## **VIP EXPERIENCES:**

Our VIP Experience Package offers a maximized Park experience with priority access to rides and attractions, a private guide with exclusive knowledge about the Park, gifts, photos, lunch and more! The VIP Team plans the day; from the time the experience is booked to walking out of the Park for the day, guests can trust the dedicated team to arrange a special day for all involved.

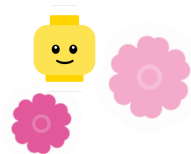

## **EXPERIENCE PROMISE:**

LEGOLAND New York is open rain or shine, and while we can't control the weather, we can guarantee a memorable experience. If a portion of our rides and attractions are closed for an extended period due to inclement weather or other foreseen circumstances, we will activate the "Experience Promise" so guests can use their existing ticket for (1) more visit within (1) calendar year.
